Natures answer to dangerous
household cleaners

1litre

Active ingredient: d-Limonene.

Directions for use:

General cleaning - spray onto surfaces and wipe with a damp clean cloth.

Stubborn grime - allow to soak a few minutes.

Permanent marker - soak and rub with finger.

Pet odours - spray and leave.

Soak stubborn areas then wipe with damp cloth.

Clothing stains - pre-treat stains before washing.

Interesting information:

D-limonene is extracted from the skin of citrus.

It is natural and good for the environment but packs strong cleaning and anti-bacterial properties.

Easily replaces most cleaners in a household and is 100% biodegradable.

Repels flies and bugs when used as an all in one general surface cleaner.

- Kills black mould on contact
- Removes pet odours & stains
- Cleans bird cages & dog kennels
- Removes adhesives, stickers & glue
